

Blessed Be To Those Who Reach Out To Help Others...

CAPTAIN'S CHOICE RULES (FOUR-MEMBER TEAMS)

1. All members of a team tee off.
2. The team selects the better tee shot. The other team members pick up their respective balls.
3. All team members hit from within one club length (no closer to the hole) of the selected ball.
4. This process continues until any member of the team holes out.
5. The team receives a score for the hole, rather than individuals.
6. If a selected ball is in a hazard, one club length from the spot cannot take you out of a hazard.
7. One club length cannot put you in the hole.
